Find Your Voice!

summer learning challenge

birth-8th grade

This summer's theme, "Find Your Voice!", is about encouraging you to try new things and be "loud" with your voice. Our voices include not only the sounds we make, but the words we write, the art we create, the movements we perform, and the actions we take each day to impact our world. We are challenging you to read a new book genre, discover a new hobby, learn about a different culture, explore a new place, or go on a wild adventure. Find what makes you...YOU, and share it with others! The Library is where everyone belongs and a place to inspire self-expression, personal exploration, and community-wide collaboration.

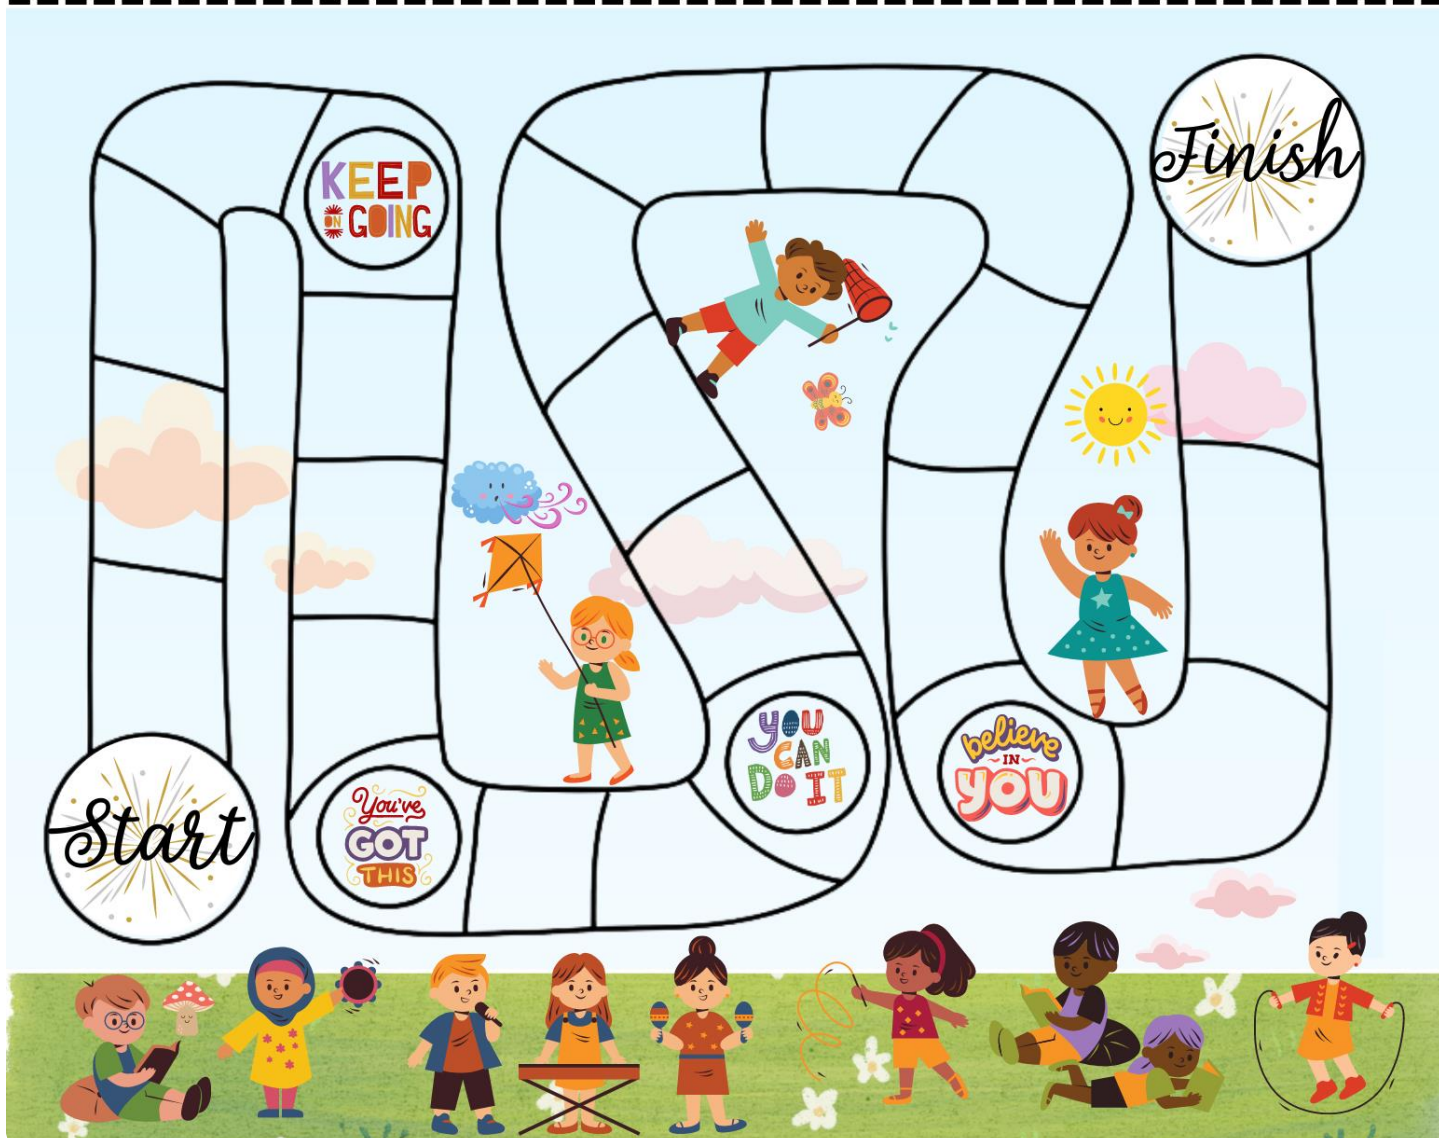

Directions: Complete the Summer Learning Challenge by doing activities on the back.

>> Write the number of the activity on each space (1 space=1 activity)

>> After 20 activities you will earn a prize bag, certificate, virtual raffle entry, and a free book

>> You may complete bonus logs to earn extra virtual raffle entries

>> Register, pickup activity log, and get prizes at the Youth Services desk when you finish
