Live Streaming Storytimes via Zoom

We will be using the Zoom meeting platform for all of our weekly storytimes. Storytimes can be viewed on a PC, Mac, Smartphone, or Tablet (using the Zoom Cloud Meeting App). If you are new to Zoom, please allow a few minutes for set up before joining a storytime for the first time.

- To help stay secure with Zoom we ask that you do not share login information with others. Please direct them to https://newlenox.librarymarket.com/ for registration.
- Families are encouraged to check in to storytime early, in order to allow time for check in. Your storytime host will let you in from the “waiting room”.
- The Zoom log in information will be emailed to you one hour before the class begins.
