# CHOOSE YOUR OWN ADVENTURE

SATURDAY, JULY 24–SATURDAY, JULY 31

## YOU'RE THE STAR OF THE STORY!

### Do you need an idea or three to get you back out exploring the world?

We've got you covered. We are the Library, after all: a magical place of knowledge and discovery! We want to help you make memories and maybe inspire a new tradition with your family, partner, or friends.

### How is the Library going to bring you this magic?

Explore our **Choose Your Own Adventure** boards in Youth (downstairs) or Adult & Teen (upstairs). Do a little "eeny, meeny, miny, moe" to decide which colorful envelope you want to choose from, and just *go for it*.

### Go the extra mile for awesome prizes!

**Post a photo of yourself doing the activity** on the Library's Facebook page, or on Instagram using #nlpladventure. (Include the activity card in the photo!)

**Every photo gives you a chance to win one of four prize baskets** filled with amazing entertainment that will get you started on another day of fun.

*Winners must be able to pick up their prize basket from the Library.*

# 2021 Summer Learning Challenge

Summer is the perfect time to try new things.  
Are you ready to take the Challenge?

Monday, June 7–Saturday, July 31

Register for *Reading Colors Your World!* starting Monday, June 7. The first week, June 7–12, is for registration only. Pick up your activity log in either Youth Services (Birth–8<sup>th</sup> Grade) or Adult & Teen Services (7<sup>th</sup>–12<sup>th</sup> Grade and Adults). Junior High students can participate in both programs.

Complete the Challenge by doing activities from the list on your activity log, and earn prizes! Logs are available at the Library and [newlenoxlibrary.org/summer](http://newlenoxlibrary.org/summer). The completed log is redeemable for prizes from Monday, June 14–Saturday, July 31.

## Birth–8<sup>th</sup> Grade

Finish the log by completing any combination of 24 activities to get a prize bag, virtual raffle entry, a completion certificate for school, and a free book!

You can complete bonus logs to earn an additional raffle entry. You earn one raffle entry per log completed.

## Teens (7<sup>th</sup>–12<sup>th</sup> Grade) & Adults

You'll be able to send us an email or text when you complete a row so we can check you in for weekly prizes.

The more often you check in, the more chances you have to win. First check in also earns you a chance at the Grand Prize! Repeat activities as many times as you like.

# Summer Visual Art Challenge

**Tuesday, June 1–Wednesday, June 30  
for Adults & Teens**

The New Lenox Library will be hosting a Visual Art Challenge open to both Adults as well as Teens in Grades 7–12. The event is part of our 2021 Summer Learning Challenge *Reading Colors Your World!* We look forward to this opportunity to celebrate our community's creativity!

Please submit your paintings, drawings, sculptures, photographs, digital art—whatever type of art you make, we want it! Full details, rules, and submission forms can be found on our website at [newlenoxlibrary.org/artcontest](http://newlenoxlibrary.org/artcontest).

## A Judging Panel of Local Artists

**Sue Shanahan** has spent her career as an artist bringing children to life in her illustrations. In addition to contributing work to various children's books and magazines, she has been commissioned by such clients as Walt Disney World and Auyrn Inc. Oprah Winfrey has purchased Sue's art for her private collection and had her as a guest on her "Favorite Things" show. Sue's work has also found its way into the White House, where her portrait of Chelsea Clinton hung in the former First Lady's study. [@sueshanahanart on Instagram](https://www.instagram.com/sueshanahanart)

Mokena-based artist **Kimberly Carter** is an illustrator and licensed surface designer. Whether drawing digitally, with pen and ink or painting with watercolor or gouache, her work spans multiple disciplines; sometimes it's a combination of both digital and analogue. Whatever the medium might be, she is passionate about creating art for kids, sweet characters and custom hand lettering. Her art can be found on greeting cards, gift bags, giftwrap, home decor and children's products. [@kimberly\\_k\\_carter on Instagram](https://www.instagram.com/kimberly_k_carter)

*Additional judges listed on our website.*

## Sticker by Letter Community Art Project

**Adults, Teens & Families** starting June 1

Want to be part of creating a beautiful community artwork? Participate in our "Sticker by Letter" art project! Think of it as a giant paint-by-number except with stickers. Every participant will get us one step closer to revealing what the final masterpiece is!

The project will be located on the second floor of the library, and sticker kits will be available at the Adult and Teen Services desk in June.

### Community Service Take & Make: Beaded Mask Holders

**Grades 7-12**

Tuesday, June 15–Wednesday June 30

Pick up kit in Adult & Teen Services

We have a take 'n make opportunity that is creative, crafty, and for a worthy-cause. Help your local senior citizens by making beaded mask keepers. These visually appealing mini-lanyards keep masks safe and clean. We will be donating them to local assisted living health care homes.

Pick up your kit at the library starting June 15. Limit 2 service hours. *Available while supplies last.*

### Mini Art Challenges

**Grades 7-12**

Wednesday, June 16 from 6–7 pm

Zoom Meeting

Join us for a fun evening of fast artwork. We will offer 5 art challenges. You will have 5 minutes to complete your challenge. When you're done, feel free to share your creation with the group (sharing is optional). Lincolnway Central Art Teacher Miss Buttala will be there to help you perfect your drawing skills!

A Zoom link will be sent to registrants the week of the program. [Registration required to attend program.](#)

### Tech Challenge

**Adults & Teens**

Tuesday, July 6; Monday, July 12, 19 & 26

Join us for a series of technology challenges that will hone your computer and mobile skills, entirely from the comfort of your home! There will be a new topic each week, and each challenge completed will earn you a mark on your summer learning log, and an entry into our raffle for a tech prize basket.

Emails will be sent to participants each week on Monday with the exercises and resources necessary to complete the challenge. Challenges must be completed by the following Monday. [Registration required to attend program.](#)

### What Does Test Optional Really Mean?

**Grades 7-12**

Monday, July 12 from 6–7 pm

Zoom Meeting

COVID-19 brought the cancellation of standardized tests in Spring 2020. Many colleges joined the growing list of universities to announce a test-optional admission process. Some colleges have announced an extension of this policy for Fall 2021, while others made this a permanent change. Thomas Jaworski of Quest College Consulting will help families gain insight on what it means for a college to review an application without standardized test scores, while also identifying the pros and cons of submitting these exams.

A Zoom link will be sent to registrants the week of the program. [Registration required to attend program.](#)

### Squirt Gun Painting

**Grades 7-12**

Tuesday, July 20 from 6–7 pm

## A Night of Color

**Adults**

Thursday, June 3 from 6–7 pm

Zoom Meeting with Kit

Have you ever looked at your favorite color and wonder how it came to be? Now you can learn by joining us for a night of exploring colors! Pick up a paint by number kit from the library and join speaker Laura Keyes as she presents “Every Color Has a Story: History of the Palette.” Work on your paint by number art as you listen to the history of all the colors you’re using to create it!

Kits will be available two days prior to the presentation. A Zoom link will be sent to registrants the week of the presentation. [Registration required to attend program.](#)

## Genealogy Club

Case Study: The Gocke Family from Germany to West Virginia & Beyond with Meghan Moran

**Adults**

Tuesday, June 8 from 6–7 pm

Zoom Meeting

The process for applying to become credentialed through the Board for Certification of Genealogists includes the development of a Kinship Determination Project (KDP). The project requires documented evidence of individuals through three ancestral generations. This case study will examine the development of a KDP, some strategies used to uncover information about elusive family members, and how to apply similar strategies to solve genealogical problems.

A Zoom link will be emailed to registrants on June 7.

[Registration required to attend program.](#)

**Meghan Moran** is a librarian and genealogist. She received her B.A. in English Literature from Loyola Marymount University, her Master’s Degree in Library and Information Science from San Jose State University, and her certificate in Genealogical Research from Boston University.

Meghan’s research focuses on Irish genealogy and genetic genealogy. She regularly teaches genealogy topics in the Chicagoland area, volunteers as a DNA “Search Angel,” and is the Membership Chair of the Tinley Moraine Genealogists.

## The Long Shadow Film Screening, Director Q&A

**Adults**

Film Screening: June 21–June 28

Director Q&amp;A: June 24 at 7 pm

Join New Lenox Library and RAILS libraries across the state for a virtual screening of the PBS award-winning documentary *The Long Shadow*, along with a Q&A with director Frances Causey on June 24.

The film follows former CNN Senior Producer, TED contributor, and Emmy Award-winning Director Frances Causey as she traces her family’s legacy of white privilege, placing it in the context of the history of anti-black racism in the United States that began with slavery and continues to impact our society today.

[Patrons can view the film and register for the Q&A through the link on the Library Calendar.](#)

## Horror Club:

*Disappearance at Devil’s Rock* by Paul Tremblay

**Adults**

Monday, June 28 from 6–7 pm

Zoom Meeting

They're Alive: Searching for Living Persons with Thomas MacEntee

Adults

Tuesday, July 13 from 6–7 pm

Zoom Meeting

Genealogists have many reasons to locate living relatives—from connecting with long lost cousins to performing collateral searches to break down brick walls. Learn the most effective ways to find living people using Internet search engines and resources. In this session you'll learn not only why it is important to locate living relatives, but how to leverage the power of the Internet to make certain you have the correct contact information. You'll also learn how making contact with the living can hone your genealogy research skills and actually help you break down those brick walls.

A Zoom link will be emailed to registrants on July 12.

[Registration required to attend program.](#)

Thomas MacEntee is a genealogy professional specializing in using technology and social media to improve genealogy research and to connect with the family history community. He has over 42 years of experience researching family history.

Thomas describes himself as a lifelong learner with a background in a multitude of topics who has finally figured out what he does best: teach, inspire, instigate, and serve as a curator and go-to-guy for concept nurturing and inspiration. Thomas is a big believer in success, and that we all succeed when we help each other find success.
